Patronage for the Book Speleonauti: Manuale di speleologia subacquea

We are very pleased with the opportunity to support the publication of the book Manuale di speleologia subacquea which brings together many experienced cave divers. The prepared publication is based on international cooperation and brings comprehensive knowledge on the issue of cave diving.

FSE decides with great pleasure,

to issue this letter of support to the editors of the publication

For the FSE Bureau,

Alena Gessert
FSE General Secretary
